Music at St George's

INTENT IMPLEMENTATION CULTURAL CAPITAL

Experience joy, creativity and self-expression through music.

- Listen to, explore and sing a wide range of songs and musical styles through weekly music lessons and cross-curricular learning.
- Develop practical musicianship by exploring how to play a range of musical instruments.
- Encourage creative expression through music, movement, dance and performance.
- In Early Years, provide opportunities for musical exploration through outdoor music and performance areas, musical tracing maps and 'Write Dance'.

Build skills in rhythm, pitch, singing and composition.

- Follow the Kapow Music scheme of work, building musical knowledge and skills progressively across the school.
- Develop composition skills, creating and performing music using a range of instruments and technology.
- Introduce and use musical notation to record, interpret and communicate musical ideas.

Celebrate diversity through exposure to a wide range of music.

- Follow the Kapow Music scheme, introducing children to a diverse range of musical styles, traditions and cultures through listening and performance.
- Celebrate World Music Day, exploring music from different cultures and traditions.
- Enrich musical learning through performances and workshops, giving children opportunities to experience music from a range of cultural backgrounds.

Connect spirituality and worship through song.

- Take part in weekly singing worship, using songs to explore our Christian vision, values and key themes.
- Learn and perform a range of songs for seasonal celebrations and concerts, including Harvest, Christmas, Easter and our Summer performance.
- Share music beyond the classroom through singing at St George's Church and King's Church concerts.
- Build confidence and a sense of community through performances for different audiences within school.

Develop courage and pride through performance opportunities.

- Provide opportunities to perform at a range of venues, developing confidence and pride in sharing music with different audiences.
- Celebrate musical learning through performances for families and the wider school community.
- Offer extra-curricular musical opportunities through clubs such as recorder club and singing club.
- Build confidence and evaluate progress through half-termly class performances, recorded on iPads to support reflection and self-assessment.
